

ASSOCIATION FOR LATIN LITURGY

Under the patronage of the Bishops' Conference of England and Wales

LATIN MASS DIRECTORY

MARCH 2019

The accuracy of the Directory depends upon reports by users. Please send these to enquiries@latin-liturgy.org

RECENT AMENDMENTS

5 January 2019	Birkenhead added
10 January 2019	Cromer added
29 January 2019	Uxbridge removed
6 February 2019	Corpus Christi, Maiden Lane, added
24 March	Little Malvern – Monday Mass time updated

Information

Entries are arranged in alphabetical order of English counties, but with the Greater London section placed at the beginning; Scotland and Ireland are at the end. We include all churches which we have been informed use Latin in the current Ordinary Form of the Mass. Where these churches have old rite Extraordinary Form Masses, these are included. See the Latin Mass Society's website for more details.

The Directory may viewed below or downloaded [here](#).

Telephone numbers are included to facilitate enquiries.

Care has been taken to ensure the accuracy of the information given but the situation in any parish is subject to change without notice either temporarily or permanently. **Mass arrangements are liable to alteration in the holiday season, especially where choirs are involved.** Many parishes publish their newsletters on their websites and this can be a useful source of current information.

Please email any amendments, additions or suggestions using the website's 'Contact' page.

Key

Masses in the Novus Ordo (1970 Missal) are classified as follows:

- A SUNG, and A said: Full Latin Mass (normally with readings and sermon in English);
- B Sung, and B said: Latin, but with some vernacular - intermediate between A and C;
- C Sung: Sung parts in Latin, but spoken parts in the vernacular.

Masses in the Extraordinary rite (1962 Missal) are included where they are celebrated at churches which also have Novus Ordo Masses in Latin, and are classified as follows:-

- (1962 Missal) SUNG: Missa Cantata in Latin;
- (1962 Missal) said: Low Mass in Latin
